This is the **Health and Safety Policy Statement** of Lindsay Wilkinson Systems Limited (LWS).

LWS principle business is the design, supply, installation and commissioning of control systems for industrial, commercial and domestic premises.

LWS recognises its responsibilities under the Health and Safety at Work etc Act 1974 and all associated legislation.

LWS is committed to creating and maintaining a safe and healthy work place and environment for its staff, customers, contractors, visitors and anyone else who might be affected by its activities. So far as is reasonably practicable this will be achieved through:

*Compliance with Health and Safety legislative requirements; *An appropriate level of Risk Assessment;

*Awareness and compliance with customer's Health and Safety Policies and site safety rules:

*Consultation with employees and contractors on Health and Safety matters which affect them;

*Provision and maintenance of safe equipment, tools and plant; *Provision and use of appropriate personal protective equipment;

* The maintenance of an appropriate level of professional qualifications and competence and where necessary provision of an appropriate level of training;

*Provision of information, instruction and supervision for employees and where necessary contractors;

*The identification of responsibilities for Health and Safety.

Those persons to whom this Policy applies are reminded that it is a requirement that they should: Co-operate with LWS on matters of Health and Safety; Not interfere with anything provided to safeguard Health and Safety; Take reasonable care of their own Health and Safety; Report any Health and Safety concerns they may have.

This Policy will be reviewed and updated on a regular basis.
